

Volunteer of the Month

Scott Ramsay

District Leader - Group Support - Beadell District,
Scout Leader - Whyalla Scout Group

April 2024

Recently, Scott has been instrumental to the planning of the Beadell District Camp.

Scott was responsible for ensuring the district camp had adequate gear, equipment, resources and was also responsible for making sure all equipment could get from the Whyalla Scout Group to the camp location.

Scott is also very hands on with the Whyalla Scout Group, both as the Scout Leader and as the Treasurer.

The Scout Unit Scott supports has had a recent influx of new Scouts, so he has worked hard to support their program.
