## Clare Dorey

Committee Chairperson, Mt Barker Scout Group  
Trainee Venturer Leader

July 2024

Clare is the Committee Chairperson and has recently started Leader training to fill the vacant Venturer Leader position at the Mt Barker Scout Group. Clare has also been heavily involved in the AJ2025 fundraising committee, where she has been a major force in getting two significant activities off the ground: the Quiz Night and Postcards of Mt Barker.

For the Postcards of Mt Barker, Clare took all the photos around town, collaborated with the graphic designer and production team to produce a postcard of Mt Barker. She engaged the local newspaper to run the story and regularly sells the cards at local shops and markets, while also promoting the Scouting brand and being instrumental in supporting her group.
