

Adventurous Scout Activities

Scouts South Australia

Training Flowchart For Canoe or Kayak

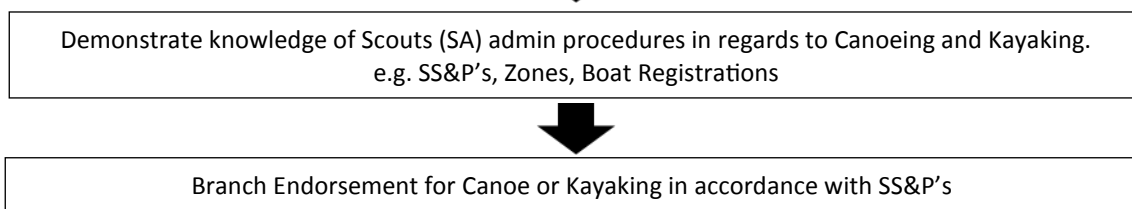

Common Core Level 1 basic training is required for all Adventurous Scout Activities Training.
This may be achieved in the canoe/kayak training or through another activity training program, e.g. bushwalking, caving

Scout Module	VET Unit ¹	VET Unit Description
Operate communications systems and equipment	PUA OPE 002A	Operate communications systems and equipment
Demonstrate navigation skills in a controlled environment	SISO NAV 201A	Demonstrate navigation skills in a controlled environment
Use and maintain a temporary or overnight site	SISO OPS 202A	Use and maintain a temporary or overnight site

To undertake your Canoeing/Kayaking training you will then need to progress to a specific skill set. The base level for supervising qualifications, for Canoeing and Kayaking is Level 2. Level 1 Canoeing or Kayaking is not an endorsement to be in charge of Scout members on the water.

Canoeing Skill Set (Flat and undemanding water)				Kayaking Skill Set (Flat and undemanding water)			
	Scout Module	VET Unit ¹	VET Unit Description		Scout Module	VET Unit ¹	VET Unit Description
Level 1	Demonstrate simple Canoeing skills	SISO CNE 201A	Demonstrate simple Canoeing skills	Level 1	Demonstrate simple Kayaking skills	SISO KYK 201A	Demonstrate simple Kayaking skills
