

## SSAG Come & Try Scuba

Come and try scuba sessions at the pool comprise of a basic overview of scuba, how it works, gear and safety information followed by a practical session in the pool where you will have a go and practise some of the basic Scuba skills. The charge for the night for SSAG will be \$25 dollars per head for gear hire, tank fill, pool entry and lane hire and we will be completed by 8:30pm.

For the night we will book a lane at the the ARC Campbelltown for a start of 7pm with lane hire from 7:30-8:30pm if you can be inside ready to go at 7pm we will be set up ready to go. Lane hire and entry fees are organised by sub aqua and included in the cost. (Our arrangement with the ARC for group bookings is \$4.50 entry per person and \$28 for the lane hire, alternative pools can be negotiated).

Each venturer will need a Y4 or Rovers/ Leaders an A4 (done by the unit but a template with info is available) and a liability waiver and a medical form to be filled out, please ask any questions you need as the forms can look quite confronting at a glance. As long as you answer no to all medical questions you should not need to see a Doctor. **If you do answer yes to anything you MUST have the ok from a doctor to participate in the activity.** All medical/waiver forms must be completed and brought to the swimming pool at the time of the activity. If any forms are missing then you won't be able to dive so please be thorough.

What to bring: A drink and snack, dry clothes to change into, towel, bathers & signed forms. It is wise to bring a t shirt and shorts to wear in the pool so the BCD doesn't rub.

Could you send a list with the names and shoe sizes of all in water participants, as we will need this info when we pack the trailer (we will have spares).

We prefer payment by EFT, preferably before the event, we can refund for people who do not attend the night, our details are as follows,
