The Challenge

Create a model miniature campsite to camp at least 6 Scouts and 2 Leaders

For an additional challenge, try making a campsite for a whole Unit!

Plan

- What materials do you need for your campsite?
- Do you need to map out the area to make sure everything fits?
- How can you make your camp exciting and fun to be at?

What to include in your campsite

- Tent
- Dining and cooking shelter
- Stove and equipment for cooking
- Trees and landscape
- Fencing to mark out your site
- Gateway
- Flagpole and Flag
- 3 camp gadgets

Do

- Get your materials together and start putting together your campsite
- What do you have in place if there is an emergency in your campsite?
- Can you label parts of your campsite and why you have constructed it that way?

Review

- Share your campsite! Take some photos and send them in
- If you were to re-do your campsite, what would you do differently?
- What did you enjoy about this activity?

Share

We would love to see your miniature campsite when done!

You can email your photos to marketing@sahq.scouts.com.au

or upload them on our Facebook Page
