

Branch Commissioners' Challenge 2020

In previous years, some Sections in SA Branch have undertaken a BC's Challenge. With 2020 being the year that all of SA Branch converts to The Program, we felt that we should offer a Challenge that is open to all members of the Branch.

This year's Challenge is on the theme of making a short movie based on an aspect of what The Program means or your Scouting@Home adventures. The Challenge will need to be completed by the end of 2020.

This is a broad theme with minimal criteria which can be undertaken as a solo activity or in Project Patrols that will be formed to accomplish the Challenge.

The Project Patrols can be comprised from within a unit or could be cross-sectional within a Group. Some may prefer to form Patrols with other Groups. The choice is entirely at the discretion of those in the Patrol.

The content of the movie should reflect an aspect or an interpretation of The Program or Scouting@Home as experienced by the individual or Project Patrol. For those not yet on The Program, this could include perceptions of what to expect from The Program. The movie could be in the form of a documentary, drama, play, skit, interview, or indeed any format chosen.

Participants can be involved in any aspect of the production, including but not limited to; operating the camera, on screen role, preproduction, postproduction, set design, set manufacture, logistics etc., or this could be shot as a selfie.

The finished movies can be of any length and should then be submitted for viewing. These may be used for any future Scouts SA promotional material.

Each participant will be eligible for a BC's Challenge badge.

The summary of the BC's Challenge is as follows:

- Form a project patrol or as an individual, create and produce your movie
- The movie topic will be on the project patrol's or individual's understanding of The Program, an element of The Program or their Scouting@Home adventures
- Submit your finished movie to Scouts SA
- The Challenge will need to be completed by 31 December 2020.
