

Guidelines for Camps and Longer Activities

- ✿ Minimise sharing of sleeping/accommodation areas as much as possible – remembering social distancing requirements
- ✿ Minimise shared cooking/catering facilities – individual preparation or limited numbers cooking all food
- ✿ Ensure hygiene/cleaning practices for cooking areas and utensils are in place
- ✿ Reduce use of shared equipment
- ✿ Maintain appropriate hygiene practices
- ✿ Car pooling is ok however you should keep trace of who has travelled in what vehicle as part of the contact tracing requirements
- ✿ Socially distance in accordance with recommendations
- ✿ Minimise indoor activities requiring 'physical exertion' – i.e. running and jumping games – to reduce potential spread of illness
- ✿ **Required: A COVID Marshal is required**
- ✿ For hikes and activities which might not have anyone who can be the COVID Marshal, there should be guidance given as part of preparing for the activity to be aware of COVID requirements.
