

# Guidelines for Unit Activities

- 🌟 Ensure that social distancing is being observed as much as practicable.
- 🌟 Communicate with your members and families before meetings to advise them of requirements. Adhere to advice from your Group and Branch.
- 🌟 Ensure you clean/sterilise/disinfect all equipment before and after the activity and minimise the use of shared equipment
- 🌟 Have a person responsible for monitoring and reminding of COVID-19 safe practices (i.e. a COVID-Marshall who has completed required training and is identifiable – sign on door, specific badge etc)
