

CEO Reflection – 24 September

Well firstly a very big thank you to everyone for this week. What a week it has been with so much happening after the AGM.

I am a little earlier today as I am sitting in my car at soccer training as I watch my kids around for their last training session this year. There are kids training dressed as cows, dinosaurs and their favorite players with lots of parents joining in. I came straight from work so no boots and shin guards so decided to sit this one out.

I started my week on Saturday with the pleasure of being able to attend the Gang Show performance at Scotts Theatre and was so impressed with the talent we have in Scouts SA and would highly recommend if you have not yet been to a show to try and get along to next years. This year marked the 60th year and the diversity and inclusion of the performances and the performers was just unreal and again makes me proud to be part of this organization.

Visited and met with some more team members from recycling and Head Office so thank you to everyone that gave me their time to chat and teach me more about the important role they play at Scouts.

I am very excited (I think) to let you know also that I have entered the world of Facebook now with a page dedicated to the CEO of Scouts SA where I can share. Here is the link <https://www.facebook.com/Rebecca-Wilson-106660551775400> If you are on Facebook then please like to follow my adventures and invite anyone you think may be interested.

It is also a very exciting time for Woodhouse as they are an entrant in the South Australian Tourism Awards. If you have 30 seconds, please take the time to vote here and also go in the draw to win awesome prizes. [CLICK TO VOTE](#)

Very excited for SRC to also be able to let you know that today I have approved for sweepers to be purchased for all depots. Picture below but disclaimer is that the person does not come with them to do the work 😊

Congratulations to Colin Shepherd our HR Advisor for 3 years at Scouts SA and Finn Singleton at SRC Payneham for 1 year. Thanks for your contributions.

Couple of birthdays this week which I will not point out except to say happy birthday to you. You know who you are.

Massive thank to Ange for all her amazing effort on getting all information compiled for the Corporate Insurance renewal meeting. This takes lots of time and collating so also thanks to everyone that has contributed in getting information to her so promptly.

To the SRC depots I have been reviewing all the WHS annual reviews that Mark has been working so hard on with you all. Great team effort and fabulous results. These inspections are critical to ensure we have preventative measures in place so thank you for the cooperation and ongoing efforts to ensure the safety of yourselves and your teammates.

Next week I look forward to being able to sending you through a time lapse of the work going on at Exurbia on the Parade which is the new retail shop and is looking amazing. Very exciting for Scouts SA.

There is so much more I could update you on as you have all been working so incredibly hard, so please don't think I have forgotten. I hear from the GMs the efforts and results and just want to say how proud I am of your commitment to making this a great place to work and supporting Scouts.

All have a wonderful weekend and if you have or care for kids, enjoy the start of school holidays..... I know I will be looking forward to not doing lunch boxes for 2 weeks.

Bec
