

THE SCOUT SOCIAL AND SERVICE GROUP

We celebrated Christmas Lunch as our final event for Calendar Year 2021. A year in which whatever activity we were involved had to have a Covid Safe Plan and be modified to live with the Co-Vid 19 global pandemic.

This year we have enjoyed the Mid-Year Lunch at the Holdfast Bay Hotel and a picnic at Mitcham Reserve. We have been entertained by many interesting guest speakers.

April proved to be busy as we conducted our major fundraising activity at the Kelly residence for the Serenity Open Garden. A little later in April the long awaited visit to the Clipper Ship "City of Adelaide" was undertaken followed by lunch at the Bartley Tavern.

The Life Members Afternoon Tea and Long Service Awards presentation was held at the Maguire Room at HQ. Service continued at Woodhouse with the Tuesday group and the garden patrol and the restoration of the Gypsy Caravan and the totem poles were completed.

Also a week was spent at Roonka helping out. We celebrated several milestones this year with Cynthia Harfield gaining 65 years service, Richard Mansfield 90 years old and a founding member Rona Chenery 100 years of age along with many of our younger members turning 60, 70 and 80.

In December last year, Peter Dermott, and January this year Philip Rungie have gone home. *Rest in Peace.* If you would like to join our special Scout Group, HQ can give you the information or call Peter Berry-Smith on 0416 035 834.

Bring on 2022,

Denise Waters
