

The week that was.....

Hi everyone

Thank to everyone for your contributions and hard work this week.

This week we had the fantastic pleasure of hosting all the SRC Managers again for SRC Reset Day 2. A productive day with some exciting discussions. Cant wait to see the outcomes of the teams set up to deliver some mini projects.

On Friday 10 June we say goodbye to Tania Hayward our CFO. Tania has been instrumental in this role and delivery of so many projects and after 10 years says goodbye for a well earned break. You will be greatly missed Tania and we wish you all the best on whatever your next venture brings.

We have a few of roles going at Head Office that were advertised this week as follows:

- [Fundraising and Community Partnerships Coordinator](#)
- [Human Resources Admin Trainee](#)
- [Insurance and Risk Advisor](#)

The Finance and Audit Committee met this week and discussed

- Presentation of the 7+5 Forecast

- Review of the Ken McGuire Fund - Fund Manager
- Membership Fund

Please remember to email me at rebecca.wilson@sahq.scouts.com.au with any comments, questions or if you have nominations for June Employee of the Month. I received none for May so I will announce someone after meeting the Leadership next week to discuss.

Have a great week.

Bec x
