

## Consent to use of image/video/audio

By completing and returning this form, You consent to photographs, video footage and/or audio recordings of You/Your child taken at a Scouts SA event, activity, during the course of Scouting, or at Woodhouse Activity Centre, being used by Scouts SA for promotional, sponsorship, historical or educational purposes, including but not limited to reproduction in brochures, publications, books, annual reports, websites, social media pages, whether in print or electronic form, and whether published by Scouts SA or by a third party with Scouts SA's approval.

This consent shall continue indefinitely until You revoke permission in writing to Scouts SA. Where consent is revoked, reasonable efforts will be made to remove the relevant media from further publication, however this may not be possible or practical in some circumstances (e.g. in the case of printed publications).
