## Wendy Dobson

Wendy Dobson | District Commissioner, Group Leader Ascot Park

Jan 2024

Wendy has held many appointments over her time in Scouting and is currently the District Commissioner for Mawson District. Recently, Wendy has been instrumental in helping leaders in her district engage with Project Evolve.

Wendy organised a highly successful EVOLVE session for the Mawson District. She spent hours organising and following up on each group about coming along on the day, resulting in 45 participants over 30 were presented on the day with their bronze badges.

Wendy and her team also went above and beyond by launching a new bring a friend program called “Mawson Mates” to assist the groups in her district to be successful with their +2 new youth member goals for 2024.
