Lucy Fordham

November 2025

Lucy has displayed an exceptional work ethic throughout the establishment of the Inferno Rover Unit. As a Rover Unit Leader, she has demonstrated outstanding leadership and dedication, working tirelessly to ensure the Unit operates smoothly while ensuring that everyone has a fantastic time.

Having achieved her King's Scout Award at this year's Branch Awards Ceremony, Lucy exemplifies what it means to be a Rover Unit Leader - service-oriented, inclusive, and someone their peers trust, respect, and feel supported by - who leads with integrity, empathy, and a genuine commitment to shared growth and service.

Congratulations Lucy on a job well done.
