

Volunteer of the Month

Mark Corbett

December 2025

Mark has shown exceptional commitment as a Venturer Leader, consistently supporting and developing Venturers through his leadership and mentoring. Separately, he has also gone above and beyond by planning and coordinating a major canyoning trip to the Blue Mountains for Leaders, Rovers, and Venturers, including running multiple training days.

In addition, he remains an active member of the Scout caving group, regularly leading caving activities such as caving for Super Splash. His dedication, initiative, and service to Scouting make him highly deserving of this nomination.

Congratulations Mark.
